## **Amazingly Comfortable**

They like its power—it's the world's most powerful low priced car.

Everybody concedes its beauty.

It wins on economy.

But its roomy seats, deep upholstery and easy riding cantilever springsThese things make it so amazingly comfortable that people can hardly believe their senses.

You wouldn't think that a small, light, economical, low priced car could be so comfortable.

But come in and let us prove it to you.
